

No more syncing, no more exporting / importing payroll data.

Payroll transactions get posted automatically in FACT ERP.NG, by Division, by Department or by Employee. No extra work!

Your company's payroll rules can be configured in Ichiban Payroll Guru and Automatic Payroll Tax Calculation (PF, CPF, ESI, Profession Tax, TDS, SINDA etc) will take your productivity levels to an all-time high. The dashboard allows you to drill down from anywhere you wish.

“ Ichiban Payroll Guru is an integrated solution for all your payroll needs. Now concentrate on growing your business while we take care of the rest. ”
